

Scan (SCAGLOTOUCH)

Work Gloves with Touch Screen Function - L (Size 9)

These Scan Work Gloves are lightweight and flexible with a close fitting ergonomic design that provides good dexterity for most work tasks. The gloves feature an adjustable hook loop wrist strap, a printed silicone palm to provide an enhanced grip, a terry towel brow wipe on the thumb and a soft touch area on the rear of the index finger for use on mobile phones and other touch screen equipment. Conforms to EN ISO 21420 and EN388 standards. 1 x Pair of Scan Work Gloves with Touch Screen Function - Size 9 Large
