

Roughneck (ROU38010)

TurboClamp™One-Handed Speed Clamp 150mm (6in)

The Roughneck TurboClamp One-Handed Speed Clamp is suitable for one-handed operation and is ideal for clamping workpieces in the home, workshop or in industry. This clamp operates in the same way as a mastic gun by using the lever and has an instant single handed release. Comes with plastic pad for protecting the workpiece being clamped. 1 x Roughneck TurboClamp One-Handed Speed Clamp 150mm (6in)
